

Classic Albums Live performs Hotel California (The Eagles)

Saturday, June 29, 2024 @ 8PM | Carpenter Theatre @ Dominion Energy Center | 600 E. Grace Street

'Hotel California' is one of the greatest albums ever made. There's a reason why 'New Kid in Town' won a Grammy. The deep cuts--the ones that don't get radio play--those are the ones that are like finding gold on a beach. 'Wasted Time' is the ultimate heartache song. 'Pretty Maids All in A Row' is Joe Walsh's tour de force. And 'The Last Resort' should be taught in schools. Classic Albums Live is simple in its quest: note for note - cut for cut. When you have amazing songs, a perfect album and a deep love of music - there's nothing else needed. 'Hotel California' features CAL at its best. We plan to continue to pay this great work of art the ultimate respect.
