

# The Phil Collins Story

Wednesday, October 14, 2026 @ 7:30PM | Dominion Energy Center | 600 E Grace St, Richmond, VA 23220

From Collins’ chart-topping years with Genesis to his iconic solo career, The Phil Collins Story brings his legendary catalog to life through powerful visuals, immersive storytelling, world-class musicianship, and state-of-the-art production. The project was developed and staged by Dean Elliott, creator of the global smash hits The Simon & Garfunkel Story, R.E.S.P.E.C.T – The Aretha Franklin Story and The Life and Times of George Michael. Said Elliot, “It is truly an honor to collaborate on a project celebrating the music of Phil Collins. His work continues to inspire global audiences, and we’re excited to bring that energy to the stage.” Rising to fame in the 1980s, Phil Collins became one of the most influential artists of his generation, with songs such as “In the Air Tonight,” “Against All Odds,” “Sussudio,” and “Another Day in Paradise,” helping define his musical legacy.
